Note – As a parent you may purchase an accordion file (folder), or notebook for your child if you think it would help them stay organized; however, it must be able to fit easily into their locker. Our lockers are 11 inches deep by 12 inches wide. If the notebook will not fit in the locker it will be sent home. Please purchase the smaller trapper keeper notebook if you choose to buy this for your child. Notebooks are not required. Backpacks need to be small enough to fit in the locker. No huge ones, please. Absolutely no wheels on backpacks. We sometimes, have items donated to us, so if you need help, please ask.
