

Welcome to Collinsville ISD where students are more than a score on a standardized test. We celebrate the accomplishments of ALL students. It is my honor to serve as Superintendent of CISD. You will be hard pressed to find a more welcoming staff, student body or community in the state. CISD prides itself on high academic expectations for every student with an emphasis on *21st Century Learning*.

Collinsville ISD is fast becoming the destination school district of North Texas. Because of our low student-teacher ratio, the attentive and caring faculty is always able to make each individual student's needs a priority so that CISD may provide a high-quality educational experience for all students. We are excited to presently offer a tuition free, full day Pre-K program. In addition, beginning summer of 2019 we will be offering a CISD run Child Care Program for infants to Pre-K, and also before and after school care for infants through 6th grade.

The benefits don't end there. High School students may earn up to 24 Grayson College credit hours reimbursed by the school district, along with an additional 9 hours of free college credit through our articulation agreement with Grayson College. Students also have access to a variety of Career and Technology Education Dual Credit courses through Grayson College that qualify them for highly sought after jobs upon graduation. The Academic Course Catalog is continuing to expand to meet the needs of our students. Whether it be the Gifted and Talented Program or the introduction of Texas Virtual Schools Network, CISD offers students a limitless amount of academic opportunities.

High expectations reach beyond the classroom. CISD prepares students to be successful in extracurricular opportunities by offering the very best in UIL Academics, Fine Arts and Athletics and also multiple opportunities to participate in various clubs and student organizations. High expectations combined with outstanding students, teachers, coaches and community equal a winning combination. Come to Collinsville and experience the difference.

I look forward to sharing ALL the great things CISD has to offer!

GO PIRATES!

Mark Dykes, Superintendent
Collinsville ISD
